

Pickwick Stables Summer 2009 Youth Camp

Registration Information

Pickwick Stables Policy on Drugs

Any camper or staff member found using alcohol, marijuana or non-prescription drugs on the campgrounds or on field trips will be sent home immediately. No refunds will be issued. Any prescribed medication that a camper brings to camp must be given to the Camp Health Director.

Food

Campers must bring a packed, nonperishable lunch each day. Nothing, including drinks should be packaged in glass containers. If lunch is forgotten, a nutritious lunch will be supplied at cost plus a service fee of \$5.00. Snacks will be supplied once daily by Pickwick Stables and are nutritious and ample. A beverage is served with every snack. Campers are encouraged to bring extra drinks for throughout the day and water is always available.

Medical

Pickwick Stables maintains a medical officer for consultation on serious medical needs. The daily medical needs of campers are attended to by one of two, full-time, on site CPR and First Aide certified staff members. Campers' families are responsible for any expenses incurred by their camper due to illness or accident while at camp. As most families have medical insurance plans, we require a copy or information about the Insurance Carrier including address, phone number and policy number. This information should be supplied on the Camp Health Form. A Release from Liability is also required of all campers.

Deposit

An non-refundable deposit of \$150.00 for each week reserved must accompany this application. The balance of tuition is due on the day or before your child arrives for camp. There is no reduction for those campers arriving late or leaving early except in the case of serious illness or injury. If this should occur, 1/2 of the remaining fees will be refunded based upon a per diem rate

Attire

Appropriate hard hats are supplied. All campers should have closed-toe shoes with small heels and long pants or chaps for riding. These items may remain on site for the duration of the session. Daily, non-riding attire should be appropriate for the weather and may include shorts, sleeveless shirts and outdoor gear (I. E. raincoat, brimmed hat, sunscreen, bug repellent)

Additional
Weekly \$ Sessions \$

<input type="checkbox"/> June 22-26	\$300.00	\$250.00
<input type="checkbox"/> July 6-10	\$300.00	\$250.00
